Leadfinders Business Network is a group of sales-oriented business men and women who meet for breakfast every Thursday with a twofold purpose:

- To become familiar with each other's business products and services and exchange business leads on a weekly basis.
- To expand our contacts and friendship with other people in business.

You are cordially invited to attend our next breakfast meeting and see how it works. Membership is composed of one firm from every type of business that does not directly compete with a fellow member. Guest speakers are welcome with prior approval of the Board of Directors.

### Meetings:

First, second, fourth & fifth Thursdays  
7:30 A.M. to 8:30 A.M.  
Poppy Ridge Golf Course  
4280 Greenville Road  
Livermore, CA 94550

We take our meeting on the road on the third Thursday each month.

**We're  
in it  
for *your*  
business**

*... and you  
can be too!*
